Although the abovementioned is the current level of turnover/income and is closely related to the economic indicators, it may be more or less in future. Consequently, this Certificate does not serve as a guarantee that the income reflected will continue at the same levels. Where the entity is a start-up enterprise this EME Certificate is valid only for contracts with a single value of less than or equal to R10 million, the EME will be required to submit a QSE Verification Certificate with any tender. For contracts over R35 million a B-BBEE Verification Certificate based on the Generic Codes must be submitted.

Based on our procedures, which do not constitute an audit or review, we have determined that the turnover/ income is less than, or equal to, R10 million and that the level of Black Ownership/ Black Women Ownership is at a Level 1.
